

September 1, 2014

Brothers,

The year 2015 will mark a significant milestone in our Order's history: the celebration of 100 years of cheerful service given to Scouting. As we begin to approach our centennial celebration, every member must help weld tight every link and spread the word of the exciting programs occurring next year.

The Centennial Commemoration Committee, under the leadership of Chris Zantek, Aaron Shepherd, and Michael Shostek, has developed this Centennial Cache toolkit. Within this toolkit you will find a variety of resources that you can utilize in promoting next year's national events including ArrowTour, the National Order of the Arrow Conference, and our Year of Service.

As a result of the work by our youth-led commemoration committee, we are happy to provide you with the following resources:

- Newsletter Article
- Graphic advertisements
- Centennial PowerPoint Template
- Social Media Posts
- Art and Multimedia Gallery
- Commemoration Ideas

Together, we can create a celebration worth remembering, and together we can look to the future for what our Order will do. We hope you enjoy these resources that will help make the Order of the Arrow's 100th anniversary YOUR centennial experience.

Cheerfully,
