

Arrowman Service Award "Sash Patch" Now Available

Registered members in good standing in the BSA, the local council and their Order of the Arrow lodge will be able to commemorate our organization's 100th anniversary by working to complete the Arrowman Service Award (ASA). The purpose of the ASA is to encourage Arrowmen to recommit themselves to the ideals of the Order, increase their level of service to their unit and council and participate in the 100th anniversary celebration of the OA. The award will have three categories of criteria with various requirements that Arrowmen can complete. These include components on personal growth, service to Scouting and participation in the centennial celebration. Arrowmen can work on the requirements from July 16th, 2014 until December 31st, 2015.

The ASA patch can be worn on the sash, as approved by the national OA committee. If ASA recipients attend the 2015 NOAC, they cannot wear the ASA "sash patch" on their centennial red sashes that conference participants and staff will receive to commemorate the 100th anniversary.

Lodge advisers and staff advisers/Scout Executives can order the patches to recognize Arrowmen that have completed the requirements through a self-paced assessment.

Patches may be purchased for \$2.50 each from the national OA office. Your council will be billed for the number of patches ordered. **Do not mail a check.** Please complete the shipping label and email, fax, or mail this form to:
